## *Your Dream Wedding at The Sitwell Arms Hotel*

The Sitwell Arms Hotel has been carefully extended and nurtured to provide the perfect setting as a civil ceremony and wedding reception venue. Originally dating back to the 18th century the main part of the hotel provides the character for a unique setting while the more recent development provides the landscape for the most magnificent photographs.

Over the years the hotel management has gained a wealth of experience at planning successful wedding celebrations. The hotel is privately owned and they pride themselves in always going that extra mile to make your day special. The wedding co ordinators can offer advice and suggestions to ensure every detail no matter how large or small has been attended to.

The Sitwell Arms Hotel carries a civil wedding license and has a selection of beautiful rooms to hold your ceremony. Small intimate groups can be catered for with as much attention to detail as groups up to 150 guests. The chef's at The Sitwell Arms Hotel have carefully selected local produce, and with a balance of knowledge and creativity offer a good choice of banqueting menus and drinks packages. This combined with the high standards of service and value for money promise the hotel always strives to deliver, is how it has gained its justifiable reputation as being Derbyshire's premier wedding venue.

The Sitwell Arms Hotel really does have everything under one roof, from a state of the art gym and quality Hair and Beauty salon, to several rooms licensed for civil ceremonies and two quality functions rooms, right down to the 30 individually decorated bedrooms. You can relax and enjoy your perfect day in one place while the hotel takes care of all your requests.

The directors and management invite you to take the time to read through their brochure and invite you to book an appointment with one of their wedding professionals who can perform a personal show round of all their facilities and offer advice and a quotation with no obligation.

Please telephone now to make an appointment on 01246 435226
